

An Invitation...

Today, Christian families are bombarded with all kinds of secular ideologies concerning how to grow strong marriages, raise children and live in an increasingly immoral culture. Secular patterns of thought and habit have infected Christian homes. Work places, government, the media, schools and universities are becoming more and more hostile to the teaching of Holy Scripture. Even some churches have abandoned the basic tenants of the Christian faith.

Our speaker will help us rediscover what the Bible says about Christian families living for the glory of God. With sensitivity, Biblical insight, the skills of a teacher, the heart of a shepherd and the devotion of a father and husband, he will offer gems of practical wisdom for 21st Century families as he covers the conference topics.

Grandparents as well as parents and children will be encouraged and enlightened. Undergirding Dr. Beeke's encouragement to families is the glorious reality of God's unbreakable promises to provide everything His people need and to bless them.

Join us this fall for a time of fellowship and Bible study as we look at this essential element of the Christian faith.

Our annual conferences...

exist to advance and celebrate the truths of the Protestant Reformation, present the greatness of the gospel of Jesus Christ and encourage a reawakening to the holiness of God. Annually, the conference seeks to draw world class scholars who can lead listeners to a fuller understanding of the truths and riches of Holy Scripture. The conference will challenge you to think more Biblically as you live your life before the face of God.
