## Cheyenne Reformation Conference

The Cheyenne Reformation Conference exists to advance the truths of the Protestant Reformation, present the greatness of the gospel of Jesus Christ and encourage a reawakening to the holiness of God. Annually, the conference seeks to draw world-class scholars who can lead listeners to a fuller understanding of the truths and riches of Holy Scripture.

## An Invitation...

Many American Protestant denominations and churches trace their roots to the Protestant Reformation of the 16th century. While some of these denominations and churches invoke memories of this heritage, many evangelical churches have rejected the gospel of Jesus Christ confessed by the reformers to declare a message of self-esteem and self-improvement instead of declaring our need to be rescued from sin and death. The Cheyenne Reformation Conference is hosting a forum in which this crisis will be examined and discussed. Dr. Scott Clark will consider some of the present day views and misunderstandings of the gospel and equip evangelicals to stand firm with the good news delivered once for all to the saints. If you attend, you will see that the Biblical faith of the reformers has a vital theology, piety and practice which emphasizes the preaching of the Word, sacraments, prayer, love of God and love of neighbor over self-centered improvement techniques. Join us this fall for a time of fellowship, prayer and Bible study as we look at the essential elements of the Christian faith.
